From Chairman's Desk

GREETINGS!!

I have immense pleasure & pride to welcome one and all to our Maratha Mandir Trust's Babasaheb Gawde Institute of Technology (MMBGIT).

Imparting quality Technical Education to create future Decision Makers in the Corporate World is our Focus. We not only transform students into Leaders but also inculcate social & ethical values in our dear students to become honest, dignified and worthy citizens of our Country - Bharat Mata.

Dedicated Faculties, supported by enlightened Board of Trustees, continuously play the role of Catalysts to build competencies, with focus on Holistic Development. Our faculties are not just teachers but they are concerned Mentors for our dear students, thus creating an effective Team of MMBGIT.

Our journey of Pursuit for EXCELLENCE continues.

From Principal's Desk

Maratha Mandir Trust - a charitable institution established in 1945, is striving to impart quality education to strengthen technical base in the country. The Trust recognized the need of the hour and setup strong institution to educate the youth, to make them aware of the rights as well as what they can be and what they can do for the nation. It was thus decided to start the Maratha Mandir's Babasaheb Gawde Institute of Technology and its journey started in the year 1997, with the aim of providing quality technical education to the students who aspire to become skilled engineers.

We, at Maratha Mandir's Babasaheb Gawde Institute of Technology, provide a warm, caring, stimulating and challenging environment in which our students learn and develop. We aim to develop students for success in professional practices, advanced studies to promote research in collaboration with industry, pursuit of scholarly activities by the faculty and to prepare the students to be successful in higher education, and thus create an asset for the nation.

We provide an environment, which enriches the intellectual, spiritual, emotional and physical development of the students in an atmosphere that is happy and nurturing.

Under the able guidance of the trustees, a dedicated team of teachers, administrative staff and a management with great vision, form a unified team making endeavours to transform the young ones into professional technocrats having knowledge, energy, strength, and create a catalytic force to metamorphose the social fabric.

ABOUT MARATHA MANDIR:

A TRIBUTE TO A VISIONARY:

Maratha Mandir – a charitable institution was established on 30th March, 1945 by Founder President, His Highness Lt. General Sir Jivajirao Maharaj Shinde of Gwalior, along with Founder General Secretary Shri G G alias Babasaheb Gawde a Senior Police Official who left his promising career in British regime, to volunteer for the noble cause, to support the Founder President, in building this strong organization Maratha Mandir. "Foundation stone of our Institute's building was laid at the auspicious hands of late Shri Rajivji Gandhi, in the presence of late Shri Madhavrao Shinde, ex Minister of India and then President of Maratha Mandir and then Chief Minister of Maharashtra Late Shri Vasantdada Patil. The Institute was inaugurated at the hands of Shri Madhavrao Shinde, then President of Maratha Mandir, in the presence of Justice P B Sawant of Supreme Court of India & Chairman, Press Council of India and Shri Dattaji Rane, Hon'ble Minister for Higher and Technical Education, Government of Maharashtra. Today, with over 60 years of strong existence in imparting Quality Education, this Institute stands testimony of producing some of the finest and eminent personalities, with hope and aspirations for a better future, tomorrow.

THE MILESTONES:

Maratha Mandir, over its 70 years of existence has carved a niche for social, cultural and educational life in the state of Maharashtra. **Maratha Mandir** has many branches which conducts multi-pronged Programmes.

- **Vanita Vishwa:** Conducts activities for the personality development of women.
- **Kala Kendra:** Seeks to promote better understanding of Indian classical music, dance & drama
- **Pragatik Sangha:** Conducts various programmes for the development of the youth in all spheres. e.g. Guidance for Public Service Commission Competitive Exams, Recitation Competition of Sanskrit Shlokas, Book Bank Scheme for the needy, Poetry Reading (Kavi Sammelan) etc. It also runs a marriage bureau.
- **The Vidyavardhini:** Runs primary schools, high schools and night school, Junior colleges, B.Ed.College, where thousands of students are educated through English and Marathi medium, in Akkalkot (Solapur), Jat (Sangli), Mumbai, Pali, Ratnagiri. This has also created employment opportunities in the field of education all over Maharashtra where in more than 20,000 students are studying.
- **Maharashtra Dnyanapeeth:** Conducts examinations in subjects such as English, Sanskrit, Marathi, Mathematics, Drawing and General Knowledge for students in Primary and Secondary School. Till date more than 10,00,000 students have appeared for those examinations
- **Free Legal Aid Center:** The centre offers free Legal Aid to the destitute.
- **Sahitya Shakha / Literary Wing:** Publishes various types of literature and has a significant participation in Marathi literary activities.
- **Maratha Mandir's Babasaheb Gawde Hospital:** In Vile Parle (East) is well equipped and offers NICU, ICU and diagnostic facilities at highly economical rates.

INSTITUTE OF TECHNOLOGY

MMBGIT

MARATHA MANDIR's BABASAHEB GAWDE INSTITUTE OF TECHNOLOGY (MMBGIT) is approved by All India Council for Technical Education (AICTE), New Delhi and affiliated to Maharashtra State Board of Technical Education (MSBTE). MMBGIT was established in 1997 with only two branches and within a short span of time it has gone credibly.

The institute has been continuously improving in every aspect & specially in imparting quality technical education, which is evident from its results, which was 95% overall, in MSBTE summer 2016 examination. **Out of this, 85% students scored first class & proceeded for further studies.** The Institute also inculcates ethical & moral values in the students, to enable them to be worthy citizens, of this country.

VISION :

"To impart quality education, inculcating ethical values and spirit of teamwork, to foster development of innovative and successful professionals."

MISSION:

- To provide quality education.
- To prepare students for success in professional practice and advanced studies.
- To promote research in collaboration with industry and pursuit of scholarly activities by the faculty.

LOCATION :

The Institute is conveniently located in Central Mumbai, at a walking distance of just 5 minutes from Mumbai Central Railway Station, Next to Maratha Mandir Theatre. It's a prime landmark in this area.

SPECIAL FEATURES OF THE INSTITUTE:

- MMBGIT strives to impart total quality technical education which helps in intellectual growth of each student. The Students are groomed by a very experienced faculty coupled with the dedicated efforts of a dynamic management, transform them in to boons for industries.
- Appointing a Mentor for each and every class (which is a unique policy of MMBGIT) to identify the difficulties/problems of the students and provide possible solutions with the help of faculties / staff members.
- A teaching plan for every subject is made at the beginning of every academic semester by the respective faculty members. We make sure that this plan is implemented throughout the semester, efficiently. This is monitored and controlled by H.O.Ds and the Principal.
- The joint interactive meetings of parents, students and faculties, held in every semester, is another unique feature of MMBGIT, which forms the backbone of creating atmosphere conducive to proper learning and teaching process.
- Generally, we do not tolerate indiscipline. The whole discipline area is monitored on monthly basis. Parents are kept informed, and reformative action is taken in case of the defaulters
- Preliminary exams are conducted in order to prepare and familiarize the students for the impending board examinations. Our results bear the testimony to the effectiveness of this process.

Diploma in Computer Technology (CM)	60
Diploma in Computer Engineering (CO)	60

ELECTRONICS AND TELECOMMUNICATION DEPARTMENT

In this era of information and communication, more digitally enhanced communication devices like mobiles, satellite, and internet are paving way for wider reach of communication technology. As a result there is great demand for trained professionals in this industry.

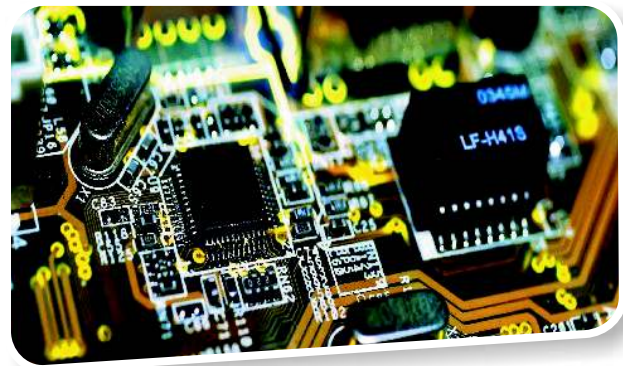

JOB PROSPECTS AND CAREER OPTIONS:

Engineers from this field can work in service organizations such as Broadcasting, Consulting, Data Communication, Entertainment, Research and Development. These engineers can also build their bright career in the industries like television, communication and Railway Signaling and control.

COMPUTER TECHNOLOGY DEPARTMENT

Computer Technology engineers apply the principles of computer science and mathematical analysis to the design, development, testing, and evaluation of the software and systems that make computers work. The tasks performed by these Engineers evolve quickly, reflecting new areas of specialization or changes in technology, as well as the preferences and practices of employers. These engineers can be involved in the design and development of many types of software, including computer games, word processing and business applications, operating systems and network distribution, and compilers, which convert programs to machine language for execution on a computer.

JOB PROSPECTS AND CAREER OPTIONS :

Computer Technology student can work as software engineer, software is the set of programmed instructions that enable a computer to perform specified functions. Computer Technology engineer can also work as Web Developer, Game Developer, Database Developer, Network Administrator, System Administrator, Software Tester and Project Manager.

Web Page Design

Computer Maintenance

Database Management System

COMPUTER ENGINEERING DEPARTMENT

Computer Engineering is a discipline that combines both Electronic Engineering and Computer Science. Computer engineers usually have training in Electronic engineering, software design and hardware-software integration instead of only software engineering or Electronic engineering. Computer engineering is one of the most rapidly growing fields today which helps us to solve modern engineering problems using design, development and application of digital and computer-based systems.

JOB PROSPECTS AND CAREER OPTIONS :

Computer engineers are involved in writing software and firmware for embedded micro controllers, designing VLSI chips, designing analog sensors, designing mixed signal circuit boards, and designing operating systems. Computer engineers are also suited for robotics research which relies heavily on using digital systems to control and monitor electrical systems like motors, communications and sensors.

SYLLABUS & SCHEME OF EXAMINATION:

MSBTE curriculum is based on Semester pattern. We follow the same curricula & schemes of examination of above mentioned courses. The detailed information is available in the institute or can be obtained from MSBTE web site www.msbte.com

FACILITIES & RESOURCES:

LIBRARY

MMBGIT Library boasts of a collection of more than 9000 books, 34 journals of national & international repute, more than 300 project reports, 2000 educational CDs, government publication and wide range of daily newspaper. Photocopy facility is also provided. The Institute has also tied up with the globally renowned seat of learning INSTITUTE OF ELECTRICAL AND ELECTRONICS (IEEE) to procure comprehensive study materials of various streams. With a view to motivate students and faculty members to go for more sophisticated and graded study, the Institute has excess to the scholastic resources of Association for Computing Machinery (ACM).

Air-conditioned Computer Laboratories:

Computer laboratories are the proud assets of MMBGIT which have 350 terminals, equipped with high performance Core-2-duo nodes and high-speed servers in a LAN environment. Spacious and well equipped, laboratories offer students state-of-the art tools and technology. The LAN is supported by operating systems like Windows 2000 Server, Windows 2003 server, Windows 2008 server, Linux and UNIX server. It is also supported by advance software like Visual Studio, Dot net, Java, office XP, C, C++, Developer 2000, ADOBE etc.

Round the clock "INTERNET" connectivity facilitated by Lease Line of 'Reliance Communications' is provided to equip the students with comprehensive knowledge.

Electronics Laboratories:

The electronics department has 15 Laboratories with ultra-modern equipments and PLC such as microwave test bench, Mobile trainer kit, logic analyzers, VLSI design tools, Advance Microprocessors & microcontrollers. These laboratories have facilities to demonstrate communication techniques along with industrial electronics application.

Cafeteria:

MMBGIT cafeteria is run by professional caterers. Here, students can truly take a break with sumptuous snacks and regular lunch. It is a good place for interaction and sharing experiences with one another.

CO-CURRICULAR ACTIVITIES :

SPORTS:

- ◆ MMBGIT is a member of state level Inter Engineering Diploma Students Sports Association (IEDSSA).
- ◆ MMBGIT organizes Carom & Chess Tournaments for the association.

THINKQUEST :

A state level project competition cum exhibition is organized every year. The objective of this venture is to kindle and rejuvenate the instincts of creativity and innovation in the minds of engineering students which encourage them to design models/project having commercial utility for the benefit of the society.

'Thinkquest' International Conference was organized in association with Springer publication and technically sponsored by IEEE (Bombay Section), Siemens and PCS Technologies. The objective of this grand event is to provide the budding engineers, academicians, research fellows, professionals and students, a suitable Platform to display their hidden talent much of which otherwise dies down due to lack of opportunity. It is here that they can realize their potential and give their imagination a tangible shape.

KSHITIJ :

An intra-college cultural festival-KSHITIJ is organized by MMBGIT, with a view to promote personal development of students by providing opportunities to exhibit their capabilities in extracurricular activities.

FUTURE PROSPECTS IN PROFESSIONAL CAREER FOR BGIT STUDENTS :

Diploma holders have a bright chance of pursuing careers in the IT and other industries. They have a lot of opportunities in the field of Software development, Maintenance or Servicing, Marketing, Sales, Networking, Instrumentation, Power Sector in companies like INFOSYS, PCS, TCS, SIEMENS, WIPRO, Reliance energy, MSEB etc.

Self-employment is also an excellent alternative because there is huge requirement for various installations, maintenance and repair services of machinery, equipment, and appliances in use in the modern workplace and houses.

FUTURE PROSPECTS IN ACADEMIC CAREER :

Students are eligible to take admission in **Second Year of Degree Program** in any engineering college in Maharashtra or any other state in India. Diploma holders and working engineers can apply for membership and appear for AMIE or IETE examination, which are considered equivalent to degree in engineering.

Diploma holders are eligible for various 'Post Diploma' courses conducted in the field of software, medical electronics, hardware maintenance, network engineering etc. Students can also seek admission in relevant

CODE OF CONDUCT:

The students while studying in the Institute, if found indulging in anti-national activities contrary to the provisions of Acts and Laws enforced by Government or in any activity contrary to institutional code of conduct (available in the institution), will be liable to be punished as per the law and/or rules. Full code of conduct document is available in the library of the institution and on of institute website. Copy can be purchased at Rs. 100/-from the library.

ANTI-RAGGING:

I. As per AICTE Rules and Regulations:

In view of the directions of Honorable Supreme Court in S. L.P. No. 24295 of 2006 dated 16/05/2007 and in civil appeal no. 887 of 2009 dated 08/05/2009 to prohibit, prevent and eliminate the scourge of ragging AICTE has formed the regulations which are available on AICTE web link. Every student and Parents / Guardians have to furnish affidavits separately in the stipulated format given in AICTE regulations.

Submission of AFFIDAVITS at the time of admission is MANDATORY:

- II. Maharashtra Prohibition of Ragging Act 1999, which is in effect from 15th May 1999, has the following provisions for Action against Ragging.
- a. Ragging is prohibited.
 - b. Whosoever directly or indirectly commits, participates in, abets, or propagates ragging within or outside any educational institution shall, on conviction, be punished with imprisonment for a term up to 2 years and / or penalty, which may extend to ten thousand rupees.
 - c. Any student convicted of an offence of ragging shall be dismissed from the educational institution and such student shall not be admitted in any other educational institution for a period of five years from the date of order of such dismissal.
 - d. Whenever any student or, as the case may be, the parent or guardian or a teacher of an educational institution complains, in writing of ragging to the head of the educational institution, the head of the educational institution shall, without prejudice to the forgoing provisions, within seven days of the receipt of the complaint, enquire into the matter through institutional anti ragging squad mentioned in the complaint and if, prima facie, it is found true, suspend the student who is accused of the offence, and shall, immediately forward the complaint to the police station having jurisdiction over the area in which the educational institution is situated, it is found that there is no substance, prima facie, in the complaint received, he / she shall intimate the fact, in writing, to the complaint. The decision of the head of the educational institution shall be final.
 - e. If the head of the educational institution fails or neglects to act in the manner specified in section "d" above. When a complaint of ragging is made , such person shall be deemed to have abetted the offence and shall, on conviction, be punished as provided for in section "b" above.

(The Institute has barrier free environment for Physically Challenged and safety provision for fire and other calamities are provided. Tobacco, Alcohol and Smoking is prohibited)
